About This Content

The **Founder's Package** grants you the status of both **Citizen and Founder of Stash.** This includes some extremely useful and convenient items - some of which cannot be obtained in any other way:

- Total Value: $75.00+

- $50 worth of Medallions (41,600 Medallions)

- **Founder's Cloak** - Fancy cloak that provides +20% XP until you reach level 20.

- Mount: donkey.

- +25% XP Booster (2 hour duration) x4.

- Healing Potion x10.

- Mana Potion x10.

- **Founder's Monument** - Exterior decorative item for your BOO (Base of operations - your house).

- **Founder's Display** - Glass Weapon Case - Interior decorative item for your BOO.

Medallions are a virtual currency used to purchase a wide variety of nice but optional things. The Medallion shop is primarily for cosmetics, convenience, and customization. Medallions are not used to buy gear or character power.
